

TAKING VISITOR GUIDES MOBILE

Encourage mobile savvy travellers to come & play in your town! Act soon to maximize your exposure.

Price Includes:

Live links throughout | A live Table of Contents

We'll embed one video clip | Provide traffic counts twice per year

We'll host your mobile edition in our library for a year and give you the code to embed your guide into your website.

Can travellers read your guide on their tablet or smart phone?

In addition to printing some of the finest visitor guides in the region, we offer you real marketing solutions in the online/mobile world.

Let us place YOUR visitor guide into a user-friendly platform that will allow travellers to enjoy it on their Laptop, PC, Tablet or Smart Phone!

We offer an integrated web and mobile strategy that will drive more traffic to you and your industry partners.

Allow your readers to share their stories and make their travel plans with friends and family seamlessly via email and numerous built-in social media tools.
